[Despatch Abstract.]

Police— South Kanara district Inspector on food — drink duty — special pay of Rs 25

Sanctioned

sanctioning the retention in this district upto 31-5-45 of the temporary additional Police staff, ordered that the temporary Inspector of Police, III Grade, would continue to draw the class I Special pay of Rs.35/- a month, which was being paid to him. With the disbandment of the anti-smuggling Police staff with effect from 1-6-45, the temporary Inspector on food drive duty, whose retention was sanctioned in G.O.Ms.No.1133, Home Department, dated 9th April 1945, has been put in additional charge of anti-smuggling duties in this district.

I enclose a copy of the report Rc.959/Audit/45, dated 4-7-45 of the District Superintendent of Police, South Kanara, who recommends the grant of the Class I Special pay of Rs.35/- a month to the Food Drive Inspector in view of the combined duties of food drive and anti-smuggling, now performed by him and in consideration of the arduous nature of the work expected from him.

I agree with the District Superintendent of Police, in his views and recommend the grant of the Class I Special pay of Rs.35/- a month, to the Food Drive Inspector with effect from 1-6-45 till the anti-smuggling Police Staff is re-entertained early in October next. I request that the necessary sanction may be obtained from the Government.

The expenditure may be debited to "64.B. Civil Defence - Section II. G. War Police - B. District Executive Force - Authorised".

Sub: Temporary Inspector for Food drive duty in South Kanara district - Proposal for the grant of Class I Special Pay of Rs.25/- per mensem.

In G.O.No.Ms.3440, Home Department, dated 23-11-44, sanction was accorded for the payment of Class I Special pay of Rs.25/- per mensem to the Temporary Inspector sanctioned for the prevention of illicit transport of food grains in this District. The special pay was drawn for the Inspector on that duty till 31-5-45, i.e., the date of withdrawal of the staff -- vide orders in G.O.Ms.No.1190, Home Department, dated 16-4-45.

With the disbandment of the special staff for the prevention of smuggling of foodgrains, the temporary Inspector on Food Drive Duty has been put in charge of anti-smuggling duties also with effect from 1-6-45 forenoon -- vide your direction to me in the copy of your letter Ref.W.5-1965-45, dated 19-2-45 to the Secretary to the Commissioner of Civil Supplies, Board of Revenue, Madras. According to it all the chowkies on the land frontier have been assigned to this Inspector, who is also closely supervise their work and ensure that they function efficiently. This arrangement results in that part of the duties of the anti-smuggling Inspector have now been merged with those of the Food Drive Inspector. These combined duties performed by one Inspector require, in my opinion, to be taken cognizance of and in consideration of the arduous nature of the work to be performed by him, I am in favour of his being granted the Class I Special Pay of Rs.25/- per month. If you agree, I request that the Government may kindly be moved for the grant of Class I special pay of Rs.25/- per month for him from 1-6-45 till the anti-smuggling staff is re-entertained early in October next.

2 The temporary Police staff sanctioned in G.O. No.1190, Home, dated 16-4-1945 for the prevention of smuggling in South Kanara district has been disbanded from 1-6-45 owing to the outbreak of the monsoon. The Collector of South Kanara district requests that the special pay of Rs.25/- per mensem drawn by the Inspector may be sanctioned for the Inspector on food drive duty as the latter is attending also to the anti-smuggling duties. During the monsoon, smuggling may decrease, but it is doubtful if it has stopped completely. The Board considers that anti-smuggling measures should be continued. It therefore recommends that the Government may be pleased to sanction class I special pay of Rs.25/- to the Food drive Inspector sanctioned in G.O.Ms.No.1133, Home Department, dated 9-7-45 with effect from 1-6-45 the date from which he has been put in additional charge of the anti-smuggling duties till the Inspector for the prevention of smuggling is re-entertained in October next.

The Board of Revenue now recommends that the Special Pay of Rs 25/- may be paid to the Food Drive-Inspector who has been put in additional charge of anti-Smuggling duties from 1.6.45, till October 1945 when the anti-Smuggling staff mentioned above will be reappointed. Home support the proposal.

2/ It is submitted that as the monsoon must have put a stop to much of the Smuggling activities on the Sea-coast the anti-Smuggling duties to be performed by the Food Drive Inspector should be [redacted] light. Therefore, there does not seem to be any justification for sanctioning a special Pay, meant for arduous work, to the Food Drive Inspector. Finance may advise that the Board's proposal may be negatived.

This case relates to a proposal made by the Board of Revenue to sanction a Class I Special pay of Rs.25/- p.m. to the temporary Inspector of Police sanctioned in connection with the food drive in the South Kanara district.

A temporary police staff of 1 Inspector, III grade and 20 Constables was sanctioned in G.O. No. 1190, Home, dated 16.4.1945 upto 31-5-1945 for the prevention of the illicit transport of food grains from the South Kanara district. On 1-6-1945, when that sanction expired, this staff was disbanded in view of the out-break of the monsoon and the temporary Inspector sanctioned for food drive, was put in additional charge of this work also. A class I Special pay of Rs.25/- was paid to the Inspector employed on the prevention of illicit transport of food grains. The Board's proposal is to

C 2586 /6

give this special pay to the Food Drive Inspector with effect from 1-6-1945 and until the re-employment of an Inspector to prevent the illicit transport of food-grains. The I.G. of Police agrees with the Board and both Dev. and Home accept the proposal. Fin. consider that the addl. work thrown on the Food-Drive Inspector will be light and will not justify the special pay proposed. For orders whether Home may press the proposal. If so the case may be circulated for orders.

The Food Drive Inspector has to do anti smuggling work in addition to his own normal duties. Smuggling is not likely to stop completely because of the monsoon. The letter of the D.S.P, S. Kanara on pp 2 cf may be perused. The Inspector has to supervise all the chowkies on the land frontier of the District. There seems to be a good case for allowing him the special pay.
